Red, Herbert D. Gulick

A beautiful dark red with white marks. Perhaps one of the most invincible pedigrees available in Polled Shorthorns. The two horned grandams would have been welcome in the greatest herds anytime. The quality here could easily go into a National Sale down the road some months, but again we are putting variety and dependability into our offering for attraction to this sale.

If you need a rangy big bull, here is the best prospect to come through a Penna. sale in the last 10 years. His sire was a Dual Purpose sensation from Kansas, selected for use in our cattle because of being of a meatier strain. Most of his pedigree is composed of cattle classified Excellent.

Both his grandmas were beautiful 1,500 lb cows that graced our pastures at one time. His dam is an easy 1,300 lb cow that milks well, winters easily and has proven to produce animals of superb carcass qualities. His sire is gone, and this is the last bull calf by this modern Nebraska bull that we have to sell.

Birth weight 59. Another hard to fault pedigree, this heifer's eye appeal is no accident, but the result of generations of planned mateings. Her sire (Brigadiers Phantom) is the culmination of the best breeding Ed Rinkhoff has attained. Her Grandam C B Delicia 4th was picked as top of her calf and yearling group (about 27 heifers).

Roan, Rinkhoff Agr. Entp.

Bev's maternal grandam "Ty Fanny" is by Leader 21st and out of RAE Beauty Mary Darla, a 1440 lb. cow of exceptional calibre. Canyon Prince a 2130 lb. bull was the sire of the Reserve Champion pen of steers out of 43 pens of all breeds at the Ft. Collins, Colorado total performance test in 1974; perhaps this was the breeds greatest laurel won in recent years and certainly won international acclaim for Canyon Prince and his owners. A pedigree and quality of National Sale calibre and a very rare opportunity to buy this blood in the east.

Windy is a very modern heifer with a terrific pedigree. She comes out of the top five of our 73 heifers, coupled with the fact she is bred to our Trade Wind bull (he is by Fillet). She should be a sale attraction. She will calve around sale time. Sells off grass.

STANDARD GUARANTEE

Endorsed by

AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense or freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as the service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
